

GGCS Market Update January 2025 v1.0

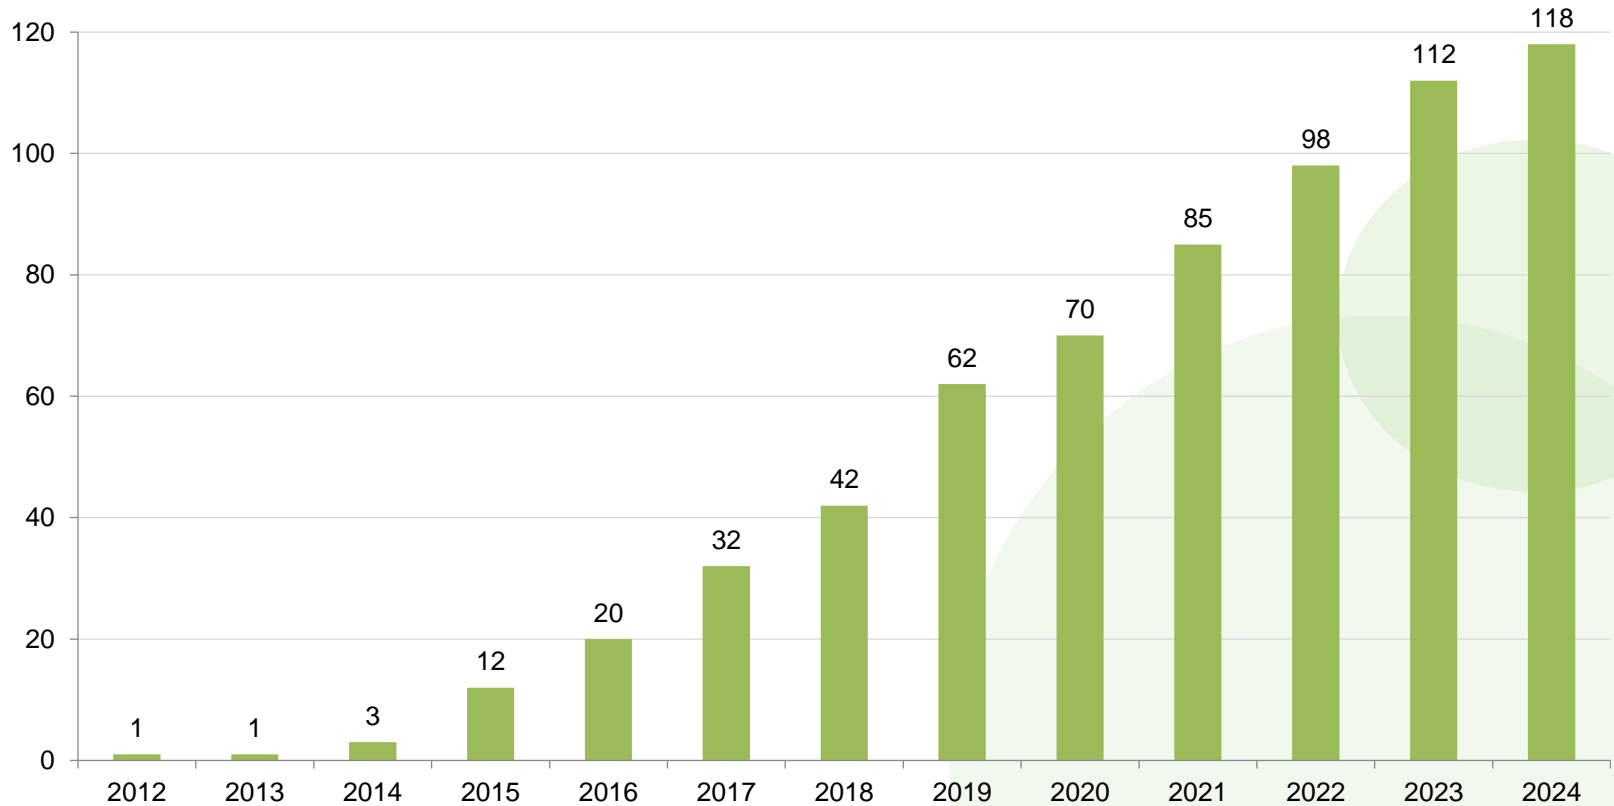

Intro

- GGCS publishes a quarterly update of activity within the Scheme
- Data is indicative of RGGO status in the GGCS Registration Database. Exact values may vary from those stated due to minor corrections made in the Registration Database that are not reflected in the graphs presented
- This update uses data from the G-REX platform for the first time and there are variations of +/- 20 GWh to previous reports due to change in the way withdrawals have been accounted for and a small volume of imports not yet showing in the data set
- For the underlying dataset please contact: info@greengas.org.uk
